

CAKE SALE FOR

On July 16th in Warrington Town Centre, we're holding a massive Cake Sale in trust with the NHS to support their funding for the new Paediatric Ward. We will be selling a variety of cakes, like chocolate, strawberry, sponge, and many more! Come join us and get cupcakes for a low price of £2 and full-sized cakes for the price of £7

WHY WE NEED YOUR SUPPORT

Being hospitalised is never a pleasant experience for anyone, but hospitalisation can prove especially traumatic for children and young people.

The current Paediatric ward has been regarded as bland and uninviting for the patients in a recent survey.

A children's ward is a complex place, and the experience begins before the ward is even reached. Lifts, corridors and walkways create the first impression and can be used to establish the expectations of frightened children and their stressed parents. Using decals and wall art can establish an inspirational 'journey' even if it's being taken on a hospital bed or in a wheelchair. Much hospital time is spent waiting, and the areas in which children and their families end up waiting can set the tone for the entire experience – that's why it's so important to establish the right relaxed and appealing approach from the very beginning.

We need your help, RIGHT NOW!!!
